

A blessed day to you!

Warm greetings from the Lyceum of the Philippines University-Batangas!

Foremost, we wish to extend to you our sincerest appreciation and gratitude for enrolling at our university for your maritime education. Congratulations for making a very wise decision of choosing a maritime program as you look forward to having a promising and fulfilling career in the future.

To facilitate the completion of your medical requirements as part of the enrollment process, we hereby advise you to undergo Medical Examinations which include the following procedures:

- 1) Complete Blood Count
- 2) Urinalysis
- 3) Fecalalysis
- 4) Chest X-Ray
- 5) Audiometry
- 6) Otoscopy
- 7) Ishihara Test *

***Note:** For item **#7:** You don't need to undergo Ishihara Test if you have undergone such test at the LPU-B Clinic.

You may have the above medical exams at the Pioneer Clinical Laboratory and Medical Clinic Incorporated located at PCLI Building, No. 1. P. Noble Street, Barangay 10, Batangas City. The cost of medical exams will be paid by LPU as such is already included in your fees.

For those who may find difficulty in going to Pioneer Lab, you may opt to undergo such exams in other clinics/hospitals accredited by the Department of Health for health and safety reasons. You will just have to pay for the cost but the corresponding fee for such will be deducted from your total assessment fees.

Please be guided accordingly. We wish you good health!

Again, thank you for choosing LPU-Batangas! God Bless!
